

CAC in the City

DELTA SIGMA THETA SORORITY, INC.

Chicago Alumnae Chapter
Established 1959

CAC'S SORORITY YEAR 2016-2017

CAC's
Emergency
Response
Team reminds
ALL to be safe
during the
summer
months, be
mindful of high
humidity,
extremely hot
temperatures
and stay
hydrated!

Beginning the Sorority year with donating book bags filled with school supplies to school children and registering new voters, to ending the year with closing banquets of CAC's Youth Initiatives (Delta Academy, Delta GEMS, EMBODI) and Delta Literacy, Chicago Alumnae Chapter has provided events and programs throughout the year intended for change. Supporting Seniors and UNCF, addressing mental health, donating eye glasses to Africa, hosting money matters seminars — just to name a few — are some of the events that seek to empower and inform the communities of Chicago, as well as the suburbs of Evergreen Park and Oak Lawn.

Events are open to the public unless otherwise indicated with an asterisk (*). For more information contact CAC's Public Relations Committee at: Publicrel.chidel@tas@gmail.com

As CAC evaluates and plans community programs over the summer, be on the lookout for voter registration opportunities across the city. Also, be sure to join us for the annual Bud Billiken® Day Parade on Saturday, August 12th! Once again, CAC will provide book bags to school children and conduct voter registration!

Have a safe Summer!
