Did you know that this holiday devoted to “dads” traces its roots to the early 1900s? Father’s Day, observed on the third Sunday in June in the United States and Canada, is intended to honor fathers and celebrate fatherhood, paternal bonds, and the influence of fathers in our society. Father’s Day is Sunday, June 17—don’t forget to celebrate the fathers, father-like figures in your lives.

Summer has arrived and with it comes warmer temperatures and extend times out in the sun.

Remember to continue to eat healthy, hydrate by drinking plenty of water and wear sun-screen when you head out to catch a little sun. Yes, people of color burn and can be impacted by the sun’s rays, even get skin cancer. And most of all, enjoy the longer days — be safe and enjoy the summer!

DELTA LITERACY YEAR END

Delta Literacy Project will hold its end of the year program and award celebration on Sunday, June 24th., 2pm at D’Estee. Adult learners and their tutors will be honored for a “job well done” having completed a successful nine-month program to improve reading, writing and math skills. Tutoring is held weekly at D’Estee and Jackson Park Supportive Living locations. Also, the Delta Literacy Book Club, “Yes, We Can!” turns 10! Having read such classics as “A Gathering of Old Men,” and “Of Mice and Men,” this club of adult learners just finished reading and attending the movie “A Chance in the World.”

The Delta Literacy Project is an Adult Basic Education Program and participating students must be reading 8.6 or below. One-on-one tutoring is offered and supported by volunteer tutors both from the community and the sorority. Delta Literacy has functioned successfully nearly 30 years, since 1988.
